

# Proposal for Poster (Title)

*(Authors and affiliation)*

## Abstract

A brief abstract of 100-200 words describing the topic of the proposal for the e-poster and highlighting the main objectives.

## Brief Description and Figures

A description of the proposed e-poster of 1-2 pages (including figures, tables, abstract and key contributions). The digest should clearly state:

- the objectives of the work
- Illustrate main results with tables and figures

## Key Contributions

A summary of the conclusions and key contributions should be provided to evaluate the scope and applicability of the work to be presented
